Prison & Homosexuality -- \$5.00

Written to address the issue of homosexuality within the prison environment, this booklet contains helpful information for inmates as well as family, friends, and those who minister to them.

Help for Adults Attracted to Children -- \$5.00

Written for individuals who struggle with an inappropriate attraction to children as well as for those who seek to help them.

The Church, the Sex Offender, and Reconciliation -- \$5.00

Few topics are more provoking than that of child molestation, yet churches need to discuss how they can minister to both victim and offender. This booklet is a help start in that conversation and a must for church libraries.
