

Seek integrity in your life!

Definition: Moral soundness, wholeness, and completeness.

A person with integrity is:

- 1 Dependent upon God
- 2 Humble – has an accuracy in self assessment
- 3 Diligent – perseverance but with a goal
- 4 Responsible for self
- 5 Obedient – aiming toward God
- 6 Accountable – answering to others

By-products of Integrity

- A person with integrity is honest
- A person with integrity is transparent
- A person with integrity displays faithfulness

It is not possible for a person to have integrity without recognizing personal sin and the need to repent of that sin.

In the Greek, repent is *metanoia* which translates as “turn around”

In the Hebrew, repent means to

- come to your senses
- withdraw from what you do
- come home to the Father
